Art Wine Lunch

Join us at our special annual event for Potter members, alumni and friends.

Shelmerdine Merindoc Vineyard in the renowned Heathcote wine growing region, is set in the tranquil and dramatically beautiful Tooborac landscape.

Hosted by the Shelmerdines, enjoy a two course lunch of locally sourced produce and a delicious dessert, served with matched wines.

Potter Director, Dr Chris McAuliffe, recently returned from Harvard University, will speak on the character of the Australian artist, reflecting on what our preference for certain types—larrikins, show ponies, big noters and shrinking violets—says about the state of Australian art.

Vineyard owner, Stephen Shelmerdine, will offer insights into the art of winemaking. Complete the picture by joining us to celebrate the good life.
