is a department of the
University of Melbourne

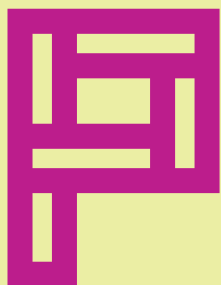

2007 Donor Program

The University of Melbourne has set up an exciting new donation strategy developed and coordinated through the Advancement Division. The Potter is part of this program and commencing this year the Potter's 'levels of giving' include the Chancellor's Circle.

The Chancellor's Circle is a community of the University of Melbourne's most generous benefactors who support the University's mission and leadership through their significant annual giving at these levels. Potter donors who enter the Chancellor's Circle will receive acknowledgement from the Potter as well as enjoy Chancellor's Circle events.
